Composite only on storage fronts, walls, Territory and Domain

General Information

As design elements, veneers add sophistication and elegance to any space. Inscape offers a collection of natural and composite veneers to help elevate the look of the workplace. A range of light and dark stains are offered to achieve contemporary or more traditional aesthetics. Edges are same species veneer.

Note: Colors are representational only. Please request samples from Insite, Inscape's online resource tool (accessinsite.com).
